

PRESS RELEASE:

Lucy Switchgear, an established local company, providing electrical switchgear into the power distribution network have opened a new office at Apollo Office Park, Wroxton, Nr Banbury.

W. Lucy are based in Oxford and have offices and manufacturing facilities in both Thame and Banbury as well as production facilities overseas.

Sarah Scott of letting agent Meeson Williams said “we are delighted to see another tenant taking up space in this unique development which is now 75% occupied”.

The suite provides 153 sq m (1,649 sq ft) of newly constructed contemporary office space within this modern Business Park on the outskirts of Banbury.

For more information please contact Sarah Scott at Meeson Williams (01865 338025) or David Deeley, Berry Morris (01295 273555).
