

PRESS RELEASE:

Hale & Company LLP moves to new offices in Maidenhead

Hale & Company LLP, one of the longest-established firms of accountants and tax advisers in Maidenhead, has relocated less than ½ mile from Craufurd Rise, where they have been for more than 40 years, to Belmont Place on Belmont Road.

Hale & Company LLP has moved from a four-storey traditional period building to a modern open-plan office on one level totalling 438 sq m (4,722 sq ft).

“We have been very fortunate to find this office within ½ mile of Craufurd Rise, resulting in there being no inconvenience to our staff or clients,” comments Chris Krol, Senior Partner of Hale & Company LLP. “The business had outgrown Craufurd Rise, and not only does Belmont House give us an additional 25 % floor area, but the open-plan arrangement as well as fully raised floors and air conditioning, will enable us to work more efficiently. Our tax, audit, general practice and support teams can now see each other and communicate more easily, which is important as clients often work with more than one department. The office allows us to grow our staff numbers as part of our business development over the coming months. We are grateful to Meeson Williams for their part in securing these new premises.”

Meeson Williams Limited, based in Oxford, acted for Hale & Company LLP and Deriaz Slater acted for NSK Europe Limited.
