

**PRESS RELEASE:**

**A divine investment**

Originally a workhouse chapel, the Old Chapel on Tower Hill in Witney has been sympathetically converted to office suites and is being offered for sale through Meeson Williams for £450,000.

It is being sold with the annual income of £14,788 from an existing tenancy whilst also offering two vacant office suites totalling 1,210 sq ft to create more income, or for a purchaser to use for their own business.

“This is a very special building, which has been converted to provide outstanding offices.” Comments David Williams of Meeson Williams. “It creates an interesting and viable investment opportunity, and the price will appeal to many local investors.”
